

Chief Patrons

Dr. Mukti Kanta Mishra, President, CUTM
Prof. D.N. Rao, Vice President, CUTM

Patrons

Dr. Haribandhu Panda, Vice Chancellor, CUTM
Dr. Supriya Pattanayak, Deputy Vice Chancellor, CUTM

Organizing Committee:

President:

Dr. K.B. Satapathy, Emeritus Professor, CUTM

Vice President

Dr. N. K. Dhal, Chief Scientist, IMMT, Bhubaneswar

Conveners:

Dr. Susanta Kumar Biswal, Dean, SoAS, CUTM
Dr. Sanjeet Kumar, President, APRF

Co-Conveners:

Md. Siddique, Associate Dean, SoAS, CUTM
Dr. Dojlisa Sahu, HoD, Chemistry, CUTM
Dr. Siba Prasad Parida, HoD, Zoology, CUTM

Organizing Secretaries:

Mr. Tanmay Sahoo, APRF, Bhubaneswar
Dr. Sagarika Parida, HoD, Botany, CUTM

Joint Secretaries

Mr. Chittaranjan Routray
Dr. Gyanranjan Mahalik
Dr. Yashaswi Nayak
Dr. Tapan Dash

Members of Advisory Committee

Prof. Malaya Kumar Misra, BU, Odisha
Prof. Badal Dutta, TU, Tripura
Prof. H A Solanki, GU, Gujarat

National Seminar on Indigenous Knowledge & Conservation of Threatened Medicinal Plants

(11th and 12th August 2019)

Jointly organized
by

Ambika Prasad Research Foundation (APRF)
Bhubaneswar, Odisha

&

Centurion
UNIVERSITY
Shaping Lives...
Empowering communities...

School of Applied Sciences (SoAS)
Centurion University of Technology and Management
(CUTM), Bhubaneswar, Odisha

In association with

National Medicinal Plants Board,
Ministry of AYUSH, New Delhi

&

Shree Gopaljew Trust
Bhubaneswar, Odisha

About Ambika Prasad Research Foundation (APRF)

APRF is established on December 2016 at the bank of Mahanadi River with the mission of "Better Environment, Better Tomorrow". Within three years from its inception, APRF has done exemplary work on documentation of medicinal plants of Western Ghats, Eastern Ghats, Sikkim Himalayas and Indo-Burma Biodiversity hotspots and added 3 new plant species. Two regional centers are running at East Sikkim and Imphal for the research on Biodiversity. Shree Gopaljew Trust is established in the year 2005 with the mandate of promoting social, cultural and awareness on yoga and biodiversity conservation. It has been celebrating Manbikata Divas- an event of lecture series on Env. & Wildlife, Manbikata awards and Yoga & Classical dance forms. Centurion University of Technology and Management, Bhubaneswar provides high quality of education and research nationally and internationally.

About the University

The journey of Centurion University of Technology and Management (CUTM) began in the year 2005 by a group of ambitious academicians with an aspiration to provide high quality education both nationally and internationally. The first step in this direction was to take over an ailing engineering institute, Jagannath Institute for Technology and Management (JITM) in one of most challenging tribal districts of Odisha and one which was transformed into Centurion University of Technology and Management in August 2010, through an act of Odisha legislative assembly. It became the multi-sector state private university in Odisha. It is the only university in the state which is declared as Skill University by government of Odisha

Centurion Approach to Education and Training

From the inception, Centurion University's DNA has been "Shaping lives and empowering communities". The University has focused on 'hands on', 'experience based', 'practice oriented' learning that makes a difference through appropriate and relevant innovation and action research. While promoting Nano, Mini and Micro enterprises, the University works towards learning experiences that are 'quantifiable', 'sustainable', 'scalable' and 'replicable'

Redefining the Learning Platform at Centurion University

- Skill integrated, domain linked, teaching and learning
 - Industry and community partnership
 - Creating and co-creating enterprises
 - An eco-system approach which includes community, enterprise, industry and educational institution.
- The University has five campuses and a number of social entrepreneurial outreach wings that, along with collaborating institutes and networks, from its ecosystem. The campuses are located at Paralakhemundi, Bhubaneswar, Rayagada, Bolangir and Chatrapur which house a number of Schools such as M.S. Swami Nathan School of Agriculture, School of Allied Health Sciences and Paramedics, School of Architecture, Planning and Design, School of Applied Sciences, School of Engineering and Technology, School of Management, School of Media and Communication, School of Pharmacy and Life Sciences, School of Vocational Education and Training and The Institute of Knowledge Societies.

School of Applied Sciences offers Bachelor, Master and Doctoral Programs in Physics, Chemistry, Information Technology, Mathematics, Zoology, Environmental Science, Botany, Optometry and Allied health Sciences etc.

Output of the Seminar

- * Awareness on the importance of threatened medicinal plants and indigenous knowledge on them among the students, researchers, local communities and custodian of medicinal plants.
- * Discussion on threatened medicinal plant species of the country in the conservation aspects.
- * Documentation of indigenous knowledge on the threatened medicinal plant species of the country.

Themes: Conservation, Biodiversity, Threatened Medicinal Plants

Subjects:

1. Threatened medicinal plants
2. Indigenous knowledge on plants
3. Diversity & Conservation
4. Phytochemistry of medicinal plants
5. Pharmacological and medicinal values
6. Re-introduction of medicinal plants
7. Mass propagation of medicinal plants

About the Seminar

The National Seminar intends to re-establish the indigenous knowledge of threatened medicinal plants among the students, local communities and researchers which will be helpful for community conservation of Medicinal Plants

Venue

The seminar will be held at Centurion University of Technology and Management (Bhubaneswar Campus) situated at Ramchandrapur, Jatni, Khurda - 752050, Odisha

Abstract Submission

Send the abstract to: sanjeet.biotech@gmail.com,
dr.skbiswal@cutm-ac.in

Last date: 28th July 2019

Word limits: 300

Registration Details :

For Students: Rs. 200
For PhD Scholars/JRF/SRF/PA: Rs. 300
For Scientist / Lecturers / Academicians: Rs 500

***Registration fee will include Seminar Kits, Lunch and Tea**

Accommodation: Hotel will be arranged on payment basis

Last Date for registration: 28th July 2019

Registration fee could be remitted by direct deposit to the APRF account and send the scanned receipt along with Registration Form and abstract.

Name of Account: Ambika Prasad Research Foundation

Account Number: 511820110000266

Name of Bank: Bank of India
