2025 About this Report

How CUTM AP supports lifelong learning for people beyond its own students

Centurion University of Technology and Management, Andhra Pradesh (CUTM AP) works under the motto “Shaping Lives… Empowering Communities…”. This annual report sets out the university’s contribution to Sustainable Development Goal 4, Quality Education, in 2025, for the Times Higher Education Impact Rankings metric 4.3, Lifelong learning measures.

In 2025 the university opened its labs and campus to the community, hosted a large public learning event for farmers and school children, ran a programmed vocational course for women from nearby villages, and took eye-health outreach into villages, schools and colleges. Every figure in this report is taken from an activity report, list or photograph attached in the annexures.

THE question	Answer	CUTM AP evidence in 2025	Proof
4.3.1 Public resources — free courses leading to certificate or award	✔ Yes	Sewing Machine Operator course: 131 women from local villages, 4 batches of 75 days, fee nil, CUTM certificate to all 131.	**Part 1, Annex A**
4.3.1 Public resources — free access to campus facilities and equipment	✔ Yes	Apparel Production Lab and its industrial machines used free of charge for 300 training days.	**Part 1, Annex A**
4.3.2 Public events — free events	✔ Yes	2nd Rythu Sammelanam, 8 November 2025, on campus; public invitation; 400 farmers and 100 school students; no fee.	**Part 2, Annex B**
4.3.3 Vocational training events — on programmed basis	✔ Yes	Sewing Machine Operator vocational training in 4 scheduled quarterly batches; 131 members of the public trained.	**Part 3, Annex A**
4.3.4 Education outreach beyond campus — on programmed basis	✔ Yes	20 eye-health screening and awareness camps in villages, schools and colleges in 6 months of 2025; 3,900 people reached.	**Part 4, Annex C**

4 SDG 4 at a Glance, 2025

Key figures across the four lifelong-learning indicators

131 women trained (4.3.1, 4.3.3)	**131** certificates awarded	**4** free course batches	**300** training days
1 public learning event (4.3.2)	**400** farmers attended	**100** school students attended	**41** learning stalls
20 outreach camps (4.3.4)	**3,900** people reached	**574** children aged 6–13	**6** months with camps

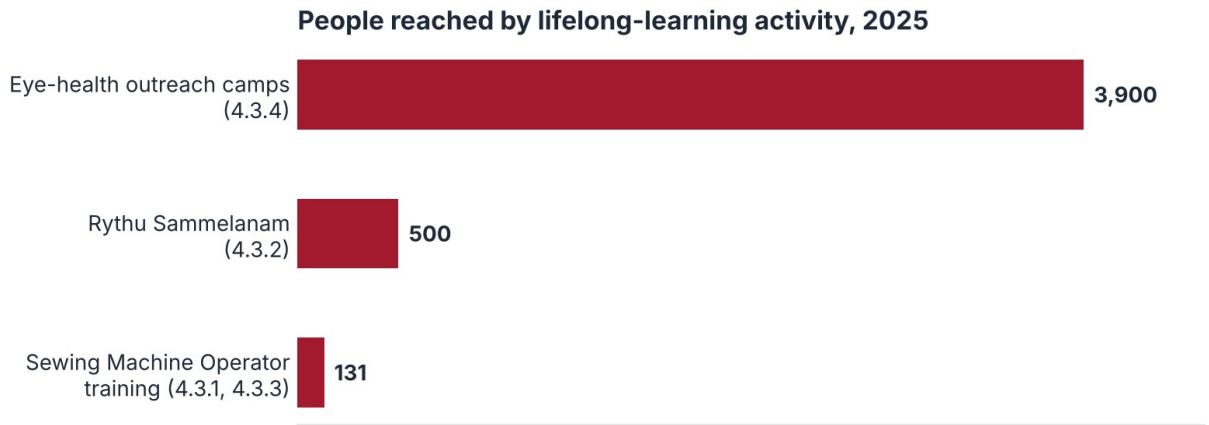

Figure 1. People reached by each lifelong-learning activity in 2025. Sources: Annexes A, B and C.

PART 1

Indicator 4.3.1

Public resources (lifelong learning): free access to educational resources for those not studying at the university

4.3.1 Free Course Leading to a Certificate

Apparel Production Skill Training — Sewing Machine Operator (SMO) programme for rural women

THE question	Answer	CUTM AP evidence in 2025	Proof
Free courses leading to certificate or award	✔ Yes	SMO course: 4 batches, 131 women from local villages, fee nil, CUTM Certificate of Completion to all 131.	**Annex A1–A10**
Free access to campus facilities and equipment	✔ Yes	Apparel Production Lab with industrial JUKI machines (one per trainee), cutting and pressing tables, steam irons and dress forms, used free for 300 training days.	**Annex A4–A6**

131	131	4	₹ 0
women trained	certificates	batches	fee

Programme	Skill training in Apparel Production – Sewing Machine Operator (SMO) job role
Learners	Unemployed women and school/college drop-outs from villages near the campus — not enrolled at CUTM AP
Delivered by	CUTM AP Apparel Production Lab, with Gram Tarang (the university's skilling arm)
Period	January – December 2025; Monday to Saturday, 9:30 AM – 4:00 PM
Fee	Nil — free for all participants
Award	Certificate of Completion issued by CUTM to each trainee (131 of 131)

Photographic evidence: certificates awarded

Trainees holding their CUTM Certificates of Completion with university staff, Vizianagaram campus

Certificates presented by CUTM faculty

Certificate presented to a trainee

Certificate presented to a trainee

4.3.1 Free Access to Campus Facilities and Equipment

The university's Apparel Production Lab opened to women from the local community

For the whole of 2025 the Apparel Production Lab on the Vizianagaram campus was given over, free of charge, to the 131 trainees. Each woman had an industrial sewing machine of her own for the full 75 days of her batch.

Facility / equipment	How it was used by the trainees
Industrial JUKI sewing machines	Single-needle lock-stitch and other industrial machines used in garment factories; one per trainee
Cutting and pressing tables	Fabric marking, pattern cutting and pressing of garment panels
Steam irons and dress forms	Finishing, pressing and fitting of garments
Trainers and university staff	Demonstration, supervision, assessment and certificate distribution

Photographic evidence: training in the Apparel Production Lab

Women practise on industrial JUKI sewing machines

Marking, cutting and pressing garment panels

HOW THIS MEETS THE INDICATOR

A course with no fee, open to people who are not studying at the university, ending in a university certificate, and delivered using the university's own lab and industrial equipment.

PART 2

Indicator 4.3.2

Public events (lifelong learning): educational events at the university that are open to the general public

4.3.2 2nd Rythu Sammelanam 2025

A free farmers' learning convention on the university campus

THE question	Answer	CUTM AP evidence in 2025	Proof
Host educational events at the university open to the general public	✔ Yes	2nd Rythu Sammelanam, 8 November 2025, Atrium, C-Block, CUTM AP campus; public invitation in Telugu; 400 farmers and 100 school students.	**Annex B1–B5**
Free events	✔ Yes	No registration or entry fee; the poster invites everyone and lists open phone numbers.	**Annex B1**
Both charged and free	Free only	The public educational event reported here was free to attend.	—

400	100	41	7
farmers	school students	learning stalls	hours (10 AM – 5 PM)

Date & venue	8 November 2025, 10:00 AM – 5:00 PM · Atrium, C-Block, CUTM AP Vizianagaram campus
Open to	The general public — farmers of the region and school students; public poster in Telugu with open phone numbers
Learning activities	Agricultural technology exhibitions; farmer–scientist discussions; live demonstrations and product exhibitions
Exhibitors	41 stalls, including 13 input companies, 8 Farmer Producer Organisations, 2 government departments and CUTM Odisha
Chief Guest	Sri Kondapalli Srinivas, Hon'ble Minister for MSME and SERP, Government of Andhra Pradesh
Entry fee	Nil — free to attend

4.3.2 Public Invitation and Photographs

How the event was advertised, and who came

Public invitation poster (original in Telugu). Translation: "To learn about the latest advances in agriculture, let us all take part in this important programme in large numbers." 08-11-2025, 10 AM – 5 PM, CUTM Vizianagaram.

Farmers from the region attending the expert sessions

Farmers and guests in the campus Atrium

Inauguration of the exhibition

Visitors learning at the exhibition stalls

HOW THIS MEETS THE INDICATOR

An educational event held at the university, advertised publicly in the local language, open to anyone from the community and free to attend.

PART 3

Indicator 4.3.3

Vocational training events (lifelong learning): vocational training at the university open to the general public

4.3.3 Vocational Training on a Programmed Basis

Sewing Machine Operator job-role training for members of the public

THE question	Answer	CUTM AP evidence in 2025	Proof
Vocational training events at the university open to the general public	✔ Yes	Sewing Machine Operator (Apparel Production) training in the CUTM AP Apparel Production Lab for 131 women from the local community.	**Annex A**
On programmed basis	✔ Yes	Four planned quarterly batches, each 75 days, Monday to Saturday, 9:30 AM – 4:00 PM, with a two-week gap for assessment and mobilisation; continuing in 2026.	**Annex A7–A10**
Ad hoc	—	Not claimed: the training followed a fixed annual schedule.	—

Batch	Training start	Training end	Duration	Women trained & certified
Batch 1	06-01-2025	21-03-2025	75 days	33
Batch 2	07-04-2025	20-06-2025	75 days	33
Batch 3	07-07-2025	19-09-2025	75 days	33
Batch 4	06-10-2025	19-12-2025	75 days	32
Total			**300 days**	**131**

Figure 3. The training cycle followed by every batch.

4.3.3 Vocational Skills Taught

Industry-standard training for garment-unit jobs and home-based tailoring

Module	What the women learned
Apparel industry & machine handling	Garment process, job roles; industrial lock-stitch machine threading, setting, oiling and fault fixing
Stitching, pattern & cutting	Straight, curved and corner stitching; measurement, pattern reading, marking and cutting
Garment assembly & finishing	Shirts, school uniforms, kurtis, blouses, frocks; trimming, pressing and packing
Quality, safety & soft skills	Defect checks, production targets; safe machine use, first aid, hygiene; banking and government schemes for women

Plan for 2026	Continuing the programme
Track	Placement and self-employment of all 2025 trainees at 3 and 6 months
Expand	Advanced modules in fashion design, embroidery and made-ups
Certify	Sector skill council assessment for a nationally recognised certificate

HOW THIS MEETS THE INDICATOR

Vocational training at the university, open to the general public, delivered to a fixed programme of four scheduled batches through the year.

PART 4

Indicator 4.3.4

Lifelong learning measures: Indicators 4.3.1, 4.3.2, 4.3.3 and 4.3.4

4.3.4 Eye-Health Outreach Beyond Campus

Screening and awareness camps in villages, schools and colleges

THE question	Answer	CUTM AP evidence in 2025	Proof
Education outreach beyond campus, in local schools and the community, including voluntary student-run schemes	✔ Yes	20 eye-health screening and awareness camps held off campus: 17 in villages and communities, 3 in schools and colleges; 3,900 people reached. One camp run with the CUTM NSS unit.	**Annex C1–C20**
On programmed basis	✔ Yes	A recurring series of camps in January, February, March, July, September and October 2025.	**Annex C**
Ad hoc	—	Not claimed: the camps form a recurring outreach programme.	—

20	3,900	574	4
camps	people reached	children aged 6–13	districts covered
