Centurion University of Technology and Management, Andhra Pradesh (CUTM AP)

Tekkali Village, Nellimarla Mandal, Vizianagaram – 535003, Andhra Pradesh, India

Evidence report for Times Higher Education Impact Rankings · Reporting period: January – December 2025

4.3.4 The Indicator and Our Response

What Times Higher Education asks, and what CUTM AP reports for 2025

In 2025 the optometry team of Centurion University of Technology and Management, Andhra Pradesh (CUTM AP) took its knowledge and clinical skills out of the campus. The team ran 20 eye-health screening and awareness camps in villages, schools and colleges across Vizianagaram, Srikakulam, Visakhapatnam and Anakapalli districts, reaching 3,900 people. At each camp the team carried out vision tests, helped people identify possible vision problems and raised awareness of the importance of regular eye examinations and timely eye care. One camp was run with the university's National Service Scheme (NSS) unit, a voluntary student scheme.

THE 4.3.4 question	Answer	CUTM AP evidence in 2025	Proof
Education outreach activities beyond campus: tailored lectures or demonstrations in local schools and in the community, including voluntary student-run schemes	✔ Yes	20 eye-health screening and awareness camps held off campus: 17 in villages and communities, 3 in schools and colleges; 3,900 people reached. Run by the university's optometry team; one camp with the CUTM NSS unit (voluntary student scheme).	**Sections 1–3, Annex C1–C20**
On programmed basis	✔ Yes	A planned series of camps through the year, run by the university's optometry team: camps in January, February, March, July, September and October 2025.	**Section 4**
Ad hoc	—	Not claimed. The camps reported here form a recurring outreach programme.	—

1 Outreach at a Glance

Eye-health screening and awareness camps beyond the campus, 2025

SDGs served: 4 QUALITY EDUCATION, 3 GOOD HEALTH AND WELL-BEING

2 Outreach in Local Schools and Colleges

Eye-health sessions for children and students, delivered at their own institutions

The university's optometry team visited schools and colleges to check the vision of children and young people and to raise awareness of eye health. The Kothavalasa camp served children aged 8–13; the two Delhi Public School camps covered pupils aged 6–9 and 10–13; and the camp at VITAM Engineering College was run with the CUTM National Service Scheme unit.

HOW THIS MEETS INDICATOR 4.3.4

Educational outreach delivered in local schools and colleges, away from the university campus, with the university's optometry team carrying out vision checks and raising awareness of eye health among children and young people. The VITAM camp was part of a voluntary student scheme (NSS).

3 Outreach in Villages and Communities

Camps held in villages and mandal centres for adults from the local community

16 further camps were held in villages and mandal centres, mostly for adults aged 18–70. Each camp brought the university's optometry team and equipment into the community to test vision, identify people needing further eye care and raise awareness of eye health and timely eye examinations.

HOW THIS MEETS INDICATOR 4.3.4

Outreach in the community beyond the campus: the university's optometry team carrying out eye-health checks and awareness activities with village residents.

4 Delivered on a Programmed Basis

A recurring series of outreach camps through the year

The camps are a recurring outreach programme of the university's optometry team, not a single event. In 2025 camps were held in six different months, with five camps in February and six in July.

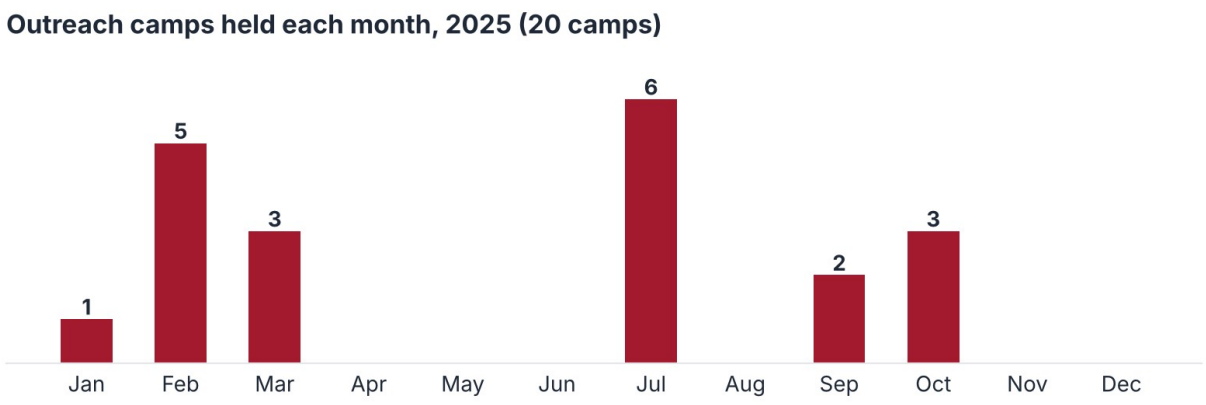

Figure 2. Number of outreach camps each month, 2025.

5 Summary of Evidence

Indicator 4.3.4 — Centurion University of Technology and Management, Andhra Pradesh, 2025

20	3,900	17	3	6
camps	people	village camps	school & college camps	months

- **Beyond campus:** all 20 camps were held away from the university, in villages, schools and colleges.
- **In local schools and the community:** 2 school camps and 1 college camp, plus 17 camps in villages and mandal centres; 574 children aged 6–13 reached.
- **Student-run element:** the VITAM Engineering College camp was run with the CUTM National Service Scheme (NSS) unit, a voluntary student scheme.
- **On a programmed basis:** a recurring series of camps in six months of 2025.

Data note: *every figure in this report is taken from the camp records of the School of Allied and Healthcare Sciences; a photograph of each camp is attached in Annex C. Only camps with a recorded headcount and their own photograph are included.*
