

MoU Ref number: _____
MoU Date: _____

CONTEXT

WHEREAS, Prakasam District stands at a pivotal economic inflection point — transitioning from a traditional agrarian and mineral economy into a robust industrial-logistics hub, driven by mega-infrastructure investments including Ramayapatnam Port, the proposed BPCL Refinery, the world-exclusive Chimakurthy Black Galaxy Granite Cluster, and a premier coastal blue economy;

WHEREAS, this rapid industrial transition creates an urgent demand for a certified, locally trained technical workforce, and without targeted skill interventions, high-demand industrial roles will continue to be filled by migrant labor, leaving local youth unemployed — a phenomenon described as the "Skill Paradox";

WHEREAS, Centurion University of Technology and Management (CUTM) and Gram Tarang (GT), collectively CUTM, are nationally recognized institutions with proven expertise in designing and delivering Industry-Integrated Centers of Excellence, having trained 500,000+ youth with 80–90% placement outcomes across India;

NOW, THEREFORE, in consideration of the mutual covenants herein, the Parties agree as follows:

*This Memorandum of Understanding (hereinafter referred to as the "MoU") is made and entered into on this **31st day of March 2026**, by and between the following parties:*
